St. John's Herr Estate Wins First Place at Columbia's Mardi Gras Parade

The staff and residents at St. John's Herr Estate were thrilled and surprised to hear that their float entry into the 63rd Annual Mardi Gras Parade in Columbia, PA won First Place. The theme of this year's Mardi Gras Parade was "Night at the

Museum," based on the popular movie. St. John's Herr Estate residents and staff designed a T-Rex about 10 feet tall and 10 feet long to depict the skeleton featured in the movie. St. John's Herr Estate is a LutherCare community offering residential and assisted living to older adults.
