

Tribute Gifts

Honor and memorial gifts in recognition of a family member, friend or loved one are lasting tributes. They offer a meaningful way to recognize or remember a special person in your life or a milestone.

Your tribute gift to **The Caring Fund** in any amount is greatly appreciated. We can acknowledge your contribution, without revealing the amount of your gift, to whomever you choose. Gifts to **The Caring Fund** help Luthercare provide services to residents who could not otherwise afford the care they need.

Luthercare provided more than 5 million in benevolent care to the individuals it served in 2009.

Gifts to The Caring Fund, as well as gifts from the Wish List, are tax deductible to the extent allowed by law.

Enhancing Quality of Life for Older Adults

Luther Acres, a retirement community, serves more than 650 residents. Located in Lititz, PA, it is one of several ministries provided by Luthercare.

The Luther Acres Campus includes 134 cottages, 218 apartments, 70 assisted living residents and Luther Acres Manor, a 106-bed skilled nursing and rehabilitation center. The Manor houses a secure area providing care for people with late stage dementia. All 106 beds are medicare and medicaid certified.

What makes Luther Acres special is its attention to the quality of life. We believe that nurturing the emotional and spiritual well-being of our residents is as important as attending to their physical needs. For that reason, we provide pastoral care and weekly worship services, a wide range of rehabilitative services, including physical, occupational and speech therapies. Our recreational and activity programs are all designed to encourage socialization.

Partners in Ministry

Even with excellent services at Luther Acres, the staff and the organization's strong commitment to enhancing the quality of life for all our residents, we could do even more with additional resources. That is why we have prepared a "wish list." Through the Wish List, Luthercare's many partners in ministry have another way to support our work.

**We welcome your own suggestions
