

Tribute Gifts

Honor and memorial gifts in recognition of a family member, friend or loved one are lasting tributes. They offer a meaningful way to recognize or remember a special person in your life or milestone.

Your tribute gift to **The Caring Fund** in any amount is greatly appreciated. We can acknowledge your contribution, without revealing the amount of your gift, to whomever you choose. Gifts to **The Caring Fund** help Luthercare provide services to residents who could not otherwise afford the care they need.

Luthercare provided more than 5 million in benevolent care to the individuals it served in 2009.

Gifts to The Caring Fund, as well as gifts from the Wish List, are tax deductible to the extent allowed by law.

Enhancing Quality of Life for Older Adults

Spang Crest, known for its gracious, quality care, is located in Lebanon, PA. It is one of several social ministries sponsored by Luthercare. At Spang Crest we live out our mission of providing health, housing and social services for older adults.

We do this through our healthcare center where we can provide care for 105 senior adults. All accommodations are Medicare and Medicaid certified. In 2007 we expanded our services by opening the Christman Memory Center. We have assisted living residences where we provide care and comfort to those with early stage memory loss.

What makes Spang Crest special is its attention to enhancing the quality of life of older adults. We believe that nurturing the emotional and spiritual well-being of our residents is as important as attending to their physical needs. For that reason, we provide pastoral care and weekly worship services, and an extensive range of rehabilitative services. Our recreational and social programs are all designed to encourage socialization.

"A prayer in its simplest definition is merely a wish turned Godward."

Partners in Ministry

Even with the excellent services at Spang Crest, our dedicated and caring staff, and the organization's strong commitment to enhancing the quality of life for all our residents, we could do even more to serve the women and men in our care if we had additional resources. That is why we have prepared a "wish list." Through the Wish List, Luthercare's many partners in ministry have another way to support our work.
