### Grow. Thrive. Shine.

Luthercare Child Care & Learning Centers provide parents with a safe, nurturing environment that offers so much more than child care . . . we offer children a place where they can explore, grow and thrive. Providing a perfect balance of learning and play, our approach to child care gives children the exceptional skills they need to ensure success throughout their entire school years. Most importantly, your child's health and well-being are our primary concern.

Discover. Connect. *Rejoice.*

Child Care & Early Learning Programs

## A Solid Foundation.

Our philosophy follows the standards of quality and developmentally appropriate practice set by the National Association for the Education of Young Children.

We support each child in fulfilling their potential in all developmental domains including emotional, social, physical, language, critical thinking and creativity.

We provide age appropriate experiences that promote growth and learning so children effectively transition from one stage of development into the next, while also establishing a foundation that will promote lifelong success.

Our learning environments are set up to encourage interaction and child-directed activity. Teachers carefully observe, design and implement plans based on what is known about the individuals in the classroom, as well as early childhood research and child development theory.

LutherCare Child Care Programs embrace an extended family model – providing support to promote personal and professional success.

Parent input and involvement are seen as essential to successful partnering in our programs.

## Year-Round Care for All Ages.

Care is available for infants, toddlers and preschoolers at all of our Child Care & Learning Centers. Additionally, four of our centers offer both before and after school programs for elementary school students. Summer programs are available at three of our child care centers.

## Proven Quality for Real Peace of Mind.

Our child care programs offer families trustworthy and affordable child care, provided by a qualified and experienced staff. We follow the standards set forth by the by the Keystone Stars Child Care Quality Initiative and the National Association for the Education of Young Children. Financial assistance consultations are available.

*“The kind of comfort LutherCare’s Child Care and Learning Centers offers isn’t easy to find.”*
