

# *The Value of a Vision:*

STRENGTH FROM WITHIN

2016 ANNUAL REPORT

# The Value of a Vision: STRENGTH FROM WITHIN

## THE WELL-BEING OF Community

**T**he Value of a Vision: Strength from Within is the theme for this year's Annual Report because it captures what we believe is essential in sustaining the continued long-term health and growth of our organization – and the people we serve.

Over the past year, Luthercare has experienced significant achievements as we've worked to bring our mission to life. This year's Annual Report reflects on those achievements and how we have come to have a richer understanding of – and deeper

commitment to – creating an evolving vision that adapts to rapidly changing circumstances, while maintaining the strength our organization has enjoyed for more than 68 years.

In addition to highlighting achievements, our leadership team shares their views and opinions on what *The Value of a Vision: Strength from Within* means to them personally and how it has empowered Luthercare to improve the lives of thousands of people in our community, creating a brighter future for all.

"... Our rich history is an important anchor that gives us deeper understanding of where we came from, what our calling is, what our vision is, what our mission is and how we use those things as building blocks for success ..."

### Carl McALOUSE

President & CEO

**T**o me, *The Value of a Vision: Strength from Within* starts with an understanding of what we have now and what our past has been. I think our rich history is an important anchor that gives us deeper understanding of where we came from, what our calling is, what our vision is, what our mission is and how we use those things as building blocks for success. We don't want to be tied to the past; we want to use past lessons and successes as a springboard to the future.

The vision for Luthercare has evolved over the years based on so many factors. When we look at how the emergence of senior living communities has helped the greatest and silent generations enjoy safe, secure, vibrant lifestyles, we are proud so many seniors in Lancaster and Lebanon counties have turned to Luthercare for those lifestyles. Now that the baby boomers – who are the children of our older residents

– are retiring, our vision is evolving again. Many of us on the leadership team are baby boomers, so this is a particularly exciting time because we have an opportunity to potentially create and shape our own futures.

Going forward, our vision is guided not only by our mission – *Luthercare reflects Christ's love through service to others* – but by how we take that mission and make it relevant to what's happening in the current market for today's seniors and children. We must continue to identify and address their needs even when those needs conflict with what we think we can do and what we want to do, within the reality of government regulations and marketplace conditions.

Ultimately, with equally strong commitments to our residents, children and their families, our vision is clear – to be a strong provider of choice for both seniors and children. We are committed to finding and

exploring new ways to enhance what we are doing to ensure our senior living communities and our Early Learning Centers are filled with strong seniors and strong children – both today and tomorrow.

What that looks like in the future is going to be driven by what the market allows, what philanthropically we can support and what we come upon that will not only broaden our mission, but enhance what we're doing and give us the opportunity to find partnerships that will drive us into the future. A future that I believe is very bright!

Find video interviews from our leadership team on our website – coming soon!

## Elizabeth BRENNAN

Our industry is in a constant state of change. Changes in regulation, reimbursement and policy can have a daily impact on what we do here at Luthercare, so it is vitally important to have a clear, evolving vision and a strong, dedicated team to carry out that vision. Fortunately at Luthercare, we have both, which is why *The Value of a Vision: Strength from Within* is such a pertinent theme.

As I evaluate how financial day-to-day activities add to our strength, I can't help but see our residents and the children we serve in our Early Learning Centers thriving in an environment that not only meets their basic needs of safety and care, but also provides an enriched atmosphere to meet their potential. The ongoing evaluation of our financial position and future financial impact of our dynamic and evolving industry is crucial to continuing our efforts in providing an exciting and fulfilling lifestyle for our residents and an engaging and well-rounded education to our students.

As we continue to move strategically, strong financial operations and cash flow will be increasingly important as we will inevitably have to weather uncertainty and change in how we provide our services and how we are reimbursed for those services. Critically evaluating our

CFO & Treasurer

*"... As I evaluate how financial day-to-day activities add to our strength, I can't help but see our residents and the children we serve in our Early Learning Centers thriving in an environment that not only meets their basic needs of safety and care, but also provides an enriched atmosphere to meet their potential ..."*

current operations to ensure efficiency and value in every dollar we spend will appropriately position us to successfully meet these challenges as they present themselves.

Personally, I experience remarkable satisfaction when I see our residents take advantage of our refreshed and

updated campuses and when I see the children in our Early Learning Centers grow and learn from all the wonderful programmatic pieces we have put into place. While the Finance Department may be "behind the scenes," we play a crucial role in ensuring we are sustainable and that we have the appropriate structures in place to really make our efforts successful and to make our vision a reality.

## Blake DAUB

Luthercare's vision is brought to life each day through the efforts of our dedicated team members. It doesn't matter what job they have ... our housekeepers, our aides, our nurses, our support staff, our administrators ... they all come to work each day determined to provide the highest quality care and services to each and every person we serve.

It's because of our team's collective strength, vision, expertise and commitment that residents in our communities are able to enjoy engaging, worry-free lifestyles and children in our Early Learning Centers are safe and well prepared for school – and for life.

Our team members share common support and belief in Luthercare's core values: Teamwork, Learning, Integrity, Connection and Compassion. This shared support empowers us to identify creative and thoughtful opportunities to improve the lives of the people we serve.

We believe in developing and supporting our team members and are constantly investing in their career growth.

### Senior Vice President of Human Resources & Administrative Services

Personally, I am privileged to have grown with Luthercare during the past twenty years. Luthercare has consistently evolved toward being a cornerstone within the communities we serve, while positioning us all for a brighter future.

*"It's because of our team's collective strength, vision, expertise and commitment that residents in our communities are able to enjoy engaging, worry-free lifestyles and children in our Early Learning Centers are safe and well prepared for school ..."*

## William SNYDER

Vice President of Philanthropy & Community Engagement

There's a saying in the Proverbs ... *where there is no vision, people languish*. At Luthercare, we have a strong vision – a vision that has evolved over our history, but one that will always remain true to our steadfast commitment of service to others.

I believe the strength from within our organization is influenced by our Lutheran heritage. This faith-based heritage embodies everything we do. As a Christian organization, we demonstrate our love for others through our actions. So whether it's providing vibrant, worry-free lifestyles and quality health services to seniors or offering families access to affordable child care that prepares children for success in school, we show our love through the services and programs we create that positively impact the well-being of our community.

Our faith-based foundation also calls upon us to love our neighbors. At Luthercare, that means we must constantly ask ourselves not only what is it that our neighbor needs, but who our neighbor is. One of the great things about being a part of Luthercare is that we are constantly discovering new neighbors – people who come to us with their life stories. The result is a wonderful tapestry of life, experience and joy ... It's what it means to be a faith-based organization.

So when I think of all we have accomplished at Luthercare, I think about the strength of our team and the strength of our faith and how those things worked together to create a vision that has touched and enhanced so many lives. I truly believe the spirit of God is with us, guiding us and empowering us to turn our vision into reality each and every day.

*"... The strength from within our organization is influenced by our Lutheran heritage ..."*

## Matt OATHOUT

Senior Vice President of Operations

When I think about the value of a vision, I ask myself, "If you don't know where you're going, then how are you going to get there?" So to me, a vision is a roadmap. There are a lot of ways to navigate the roadmap, but if you don't have a destination in mind, you will simply spin your wheels. At Luthercare, our mission is our destination. How we reach that destination may change, but our commitment to that destination is unwavering.

As I consider our vision over the next few years, it will certainly be impacted by the baby boomers. Their wants and desires are very different from our current residents. We're already seeing their influence in our communities. They want more choice in everything from programming to dining – and we're responding, as evidenced in our newly renovated Muhlenberg Apartment Building at Luther Acres. Healthcare is also being impacted.

Partnering with hospital systems will be more common: people will receive care in the hospital, come to us for rehab, and return home to receive in-home care. It will be a seamless experience with all partners sharing responsibility for the health and well-being of the individual.

We have a lot of change facing us in our industry, and I don't see things slowing down anytime soon. I expect healthcare and senior living to transform itself several times over the next few decades. While change can be unsettling, it's not for me because I know Luthercare is a strong organization that has strength from within. We have successfully evolved and adapted to change over our 68-year history. I am confident we will always find ways to reach our destination – our mission – because we have the forward-thinking roadmap – our vision – to accomplish our goal.

*"... Our mission is our destination. How we reach that destination may change, but our commitment to that destination is unwavering ..."*

## Sally GROOME

Vice President of Marketing & Communications

Our vision for Luthercare is an evolving one because we are operating in a very rapidly changing marketplace. One of the forces bringing about that change: The older baby boomers are exploring and moving to our campuses ... and we are prepared to welcome them!

Over the last several years, we have invested millions of dollars in renovations to our senior living campuses to ensure this new generation of seniors will experience a lifestyle that meets their interests and their expectations. From beautifully designed gathering spaces to the Coffee & Cork bistro to the unique bubble wall in the lobby, the renovation of the Muhlenberg Apartment Building at Luther Acres captures our view of what senior living will look like moving forward and reflects how an evolving vision and strong team can truly transform lives.

For me, this vision – and our mission – holds both a professional and a personal component as my mother is a resident at St. John's Herr Estate, our Luthercare community in Columbia. Watching how her life has transformed since she moved to the campus is something I find tremendously rewarding both as a Luthercare professional and as a daughter.

The theme *The Value of a Vision: Strength from Within* has provided us with an opportunity to reflect on everything we have accomplished this past year as an organization. Seeing our vision come to life in the faces of the children in our Early Learning Centers and the residents in our senior living communities, empowering them to lead full and healthy lives, reflects our belief that Luthercare is an organization *Where Potential is Ageless!*

*"... We have invested millions of dollars in renovations to our senior living campuses to ensure this new generation of seniors will experience a lifestyle that meets their interests and their expectations ..."*

BRINGING OUR  
VISION TO LIFE...

## A YEAR OF *Accomplishment*

**R**ecognition, celebration and, as always, reflection and growth were all part of 2016. As we look back at the accomplishments of this past year, we continue to marvel at how our organization tirelessly continues to move forward.

Through the hard work and dedication of so many, we maintain our role as a leading provider of senior living and child care services in Lancaster and Lebanon counties. We continue to address the evolving needs of those we serve, strengthening our community along the way. Each of our accomplishments helps us to realize our mission and brings us

that much closer to our vision of being the provider of choice for seniors and children.

At Luthercare, we believe teamwork is essential to the success of every industry and every business. The accomplishments of a team always surpass the capacity of one individual. This concept has been fundamental in creating a strong foundation for our success at Luthercare.

In 2016, our team once again embarked on a fulfilling journey with an evolving vision that was refocused and renewed. In that vein, we share with you some of the accomplishments for which we are most proud ...

### MUHLENBERG APARTMENT BUILDING RENOVATION

Our commitment to renewal and renovation took many forms in 2016, most tangibly, the completion of the transformational project at the Muhlenberg Apartment Building at Luther Acres. Everything about the new space is designed to not only enhance life for current residents, but to meet the changing expectations of the next generation of seniors as well. We created an exciting, contemporary new look and feel that has set the standard for how senior living will look in the future.

### EXCEEDED OCCUPANCY GOALS

One of the direct results of our commitment to offering a vibrant lifestyle in updated and welcoming spaces has been strong organizational occupancy – the key to financial viability in this ever-changing market. Our overall agency occupancy exceeded budget targets in 2016 by more than 0.7% with Independent Living surpassing budget by 2%. These results speak to the experience we offer for all levels of care at each of our campuses and reflect the commitment our team demonstrates to our core values.

## EMPLOYEE ENGAGEMENT SURVEY

Employee engagement has become a top business priority for many organizations – including Luthercare. In our industry, a high-performing workforce is essential for growth and survival. We believe a highly engaged workforce will produce better work, better culture and will ultimately provide better service and care to those we serve. In 2016, we conducted an Employee Engagement Survey that provided us with a wealth of valuable information that will help us make changes that positively impact organizational performance.

## PHILANTHROPY

Philanthropic support through the giving of both financial resources and time is a critical part of what we do, and 2016 was another successful year. Generous lifetime donors remembered us in their final plans with estate and planned gifts, our appeals were met with strong response and our Luthercare for Kids Golf Tournament generated significant support to provide scholarships for the children and families we serve through our Early Learning Programs. Our Benevolent Care fund assisted residents whose resources became depleted through no fault of their own, allowing them to remain in the communities they've called home for many years. We also raised funds which allowed us to advance nursing careers through scholarships.

## SPANG CREST RECEIVES 5-STAR RATING

Quality of care is a core priority, and we are pleased our healthcare centers continue to be among the highest rated in the state. Luther Acres in Lititz received a four-star rating and Spang Crest in Lebanon received a five-star rating – the highest – from the Centers for Medicare and Medicaid Services.

## DEBT RESTRUCTURE

In 2016, we restructured Luthercare's debt for two important reasons: 1) flexibility, and 2) cost savings. Flexibility in our debt structure allows us to more easily move forward with any programmatic or campus expansions. And cost savings allow us to continue to more efficiently sustain and support our current programs and campuses and be positioned to consider new opportunities, meeting the strategic vision of the Executive Team moving forward.

## HEALTHCARE PARTNERSHIPS

Our healthcare centers were also selected by Lancaster General Health/ Penn Medicine in the Lancaster area and Wellspan Health in the Lebanon area to be members of their Preferred Provider Networks. This participation will strengthen our relationships with these critical community organizations and ultimately create systems to provide even higher quality and more coordinated care to those we serve.

## HOLLERAN COMMUNITY ENGAGEMENT AWARD

Holleran Consulting, a nationally renowned consulting and research firm supporting the senior living industry, named Luthercare one of the recipients of the 2016 Holleran Community Engagement Award. Recipients of the award are recognized as leaders in the field of community engagement, as well as for their organizational vision and commitment to building and strengthening their local communities.

## SAIL GRANTS

Luthercare was awarded a \$40,000 grant from the Lancaster County Community Foundation through its Creative Solutions Matching Program and a \$15,000 grant from the Steinman Foundation. These awards support Systems Aligned in Learning (SAIL), a four-partner collaboration funded in 2015 by a three-year grant from the United Way of Lancaster County. SAIL provides needed tools and training, using a mobile delivery system, to home-based child care providers in Lancaster County.

## COMPETITIVE ANALYSIS/ PRICING STUDY

We conducted a comprehensive Competitive Analysis mid-year, securing rate and amenity information for a group of senior living communities identified as our strategic competitors – those within our geographic area with similar product offerings, amenities and pricing structures. All levels of care were reviewed at all three campuses, with the project yielding valuable information that resulted in many adjustments for 2017.

## YOUR NEIGHBORHOOD CONNECTION EXPANDS

Your Neighborhood Connection, our joint venture with Moravian Manor formed in 2014 to provide in-home services, launched in the spring of 2016, serving campus residents from both communities. The organization is staffed to reach beyond the campuses and offer support to individuals in Lititz and surrounding areas during 2017.

# LEAVE A Legacy

Donors who desire to create a personal, mission-related legacy often use a planned gift to accomplish their philanthropic goals. Each year, Luthercare is blessed to be the recipient of these planned gifts, given through individuals' final estate plans, charitable gift annuities, trusts, insurance policies or other giving vehicles.

Planned gifts can be designated to support a specific community – Luther Acres, Spang Crest or St. John's Herr Estate – or a specific program – Child Care Scholarships or the Nursing Scholarship Fund – or be used to provide benevolent care or support the Evergreen or Benevolent Care Endowment Funds. Planned gifts can also be unrestricted.

Contact Rev. William C. Snyder, Vice President – Philanthropy & Community Engagement, at 717.626.1171 ext. 1644 if you are interested in discussing the options for making a planned gift.

We remember these individuals who included us in their final estate plans and express our sincere appreciation for their vision and commitment to Luthercare for gifts received in 2016.

behalf at a total value in  
Pennsylvania of \$576,108.

## SPIRIT OF Philanthropy

We extend sincere thanks to all who helped bring our mission to life in 2016 through your philanthropic support. Your gifts made it possible for us to provide \$6.724 million in benevolent and uncompensated care to residents in our senior living communities and the children and families who participate in our Early Learning Programs.

The following pages feature the many names of those who are at the heart of Luthercare – our donors! Tribute gifts made through the *Rejoice and Remember* program and in honor or memory of loved ones throughout the year, planned gifts, annual gifts and bequests all come together to enable us to *reflect Christ's love through service to others*.

We celebrated tribute gifts in our Lights of Luthercare program with luminaries this past December.

Many thanks to all for your generous support throughout the year! We joyfully receive and appreciate all gifts, of all amounts and for all purposes, and celebrate the opportunity to publicly acknowledge your spirit of caring.

In service,

The Rev. William C. Snyder  
Vice President – Philanthropy & Community Engagement

# Tee it up for Kids!

## 22<sup>ND</sup> ANNUAL GOLF TOURNAMENT

**I**t was a damp and drizzly day on September 26, 2016, when 128 golfers took to the course at the Lebanon Country Club. Despite the dampening weather, spirits were high and laughter and good times prevailed.

The tournament raised over **\$85,000** in support of Scholarships for Luthercare for Kids Early Learning Centers. After expenses, all proceeds went directly in support of children and their families. Over 50% of children served in our programs required some form of assistance or subsidy. Our sincere thanks go out to our event sponsors, individual donors and golfers who all came together to make a difference.

# Evergreen SOCIETY

The Evergreen Society was established to recognize generous contributors who have made a planned gift of \$5,000 or more to Luthercare. These gifts can be made by naming Luthercare as a beneficiary in a will or final estate plan, through a Charitable Gift Annuity, Charitable Remainder Trust, or a gift of insurance, pension plans or other assets. Donors can direct these gifts to the Luthercare Senior Living community or program of their choice, or to the Evergreen Endowment Fund. The vision, loyalty and generosity of Evergreen Society members show a farsighted commitment to sustain Luthercare and its social ministries. We value their generosity and extend our sincere appreciation. At the end of 2016, the endowment and board-directed funds totaled \$8,723,976.

# Friends of Lydia SOCIETY

The Friends of Lydia Society recognizes individuals who have provided long-term support to Luthercare. Lydia holds an important role in biblical history, as she was the first recorded Christian in the area now known as Europe to be converted by the Apostle Paul. Her home became the place where the first church in Europe was subsequently established.

"... The Lord opened her heart to listen eagerly to what was said by Paul, and she and her household were baptized ..."  
(Acts 16:14-15 NRSV)

Luthercare is deeply grateful to the 135 supporters who have opened their hearts to the work of our ministry and have helped us extend care and compassion to children and families for the past 10+ years through continual giving.

# MAKING A *Difference*

Philanthropic support for Luthercare is provided by individuals, organizations, businesses and foundations. We sincerely appreciate these gifts, which reflect the generosity and caring we have been blessed to receive from thousands of donors since our ministry began in 1949. The list includes all gifts received during 2016.

Luthercare's Campaign for a Bright Future was conducted to fund the new Towne Center at Luther Acres and to provide start-up and sustaining funds for the Luthercare at Home in-home services program. Phase II includes support for capital needs for Luthercare for Kids Early Learning Centers and began in 2016.

Capital Campaign donors help us continue our commitment to providing high-quality programs and services for all the individuals in our care – from the youngest to the oldest. Many thanks to those who are supporting the Campaign for a Bright Future!
