## Take a Turn in the Right Direction

**Begin Your Philanthropic Journey**

Would you like to get involved and support our cause in exciting ways? You may be surprised to discover that there are many options available with gift planning. Let us help you make a turn in the right direction with a plan that's customized for you and your goals so that giving to the causes you care about becomes possible today.

### » CHARITABLE BEQUEST

Creating a will is an important step in your life journey. It's your opportunity to plan how you will benefit your family, friends and charitable organizations after your lifetime. Including a gift in your will, often called a bequest, is a great way to support the future of our organization without giving away any of your assets today. A bequest is a gift that can be changed at any time if your circumstances change.

### » MAKE PLANS FOR THE ROAD AHEAD!

Here are some of the ways you can support our cause with a charitable bequest:

- Make a gift of a specific dollar amount
- Gift us an asset such as a vehicle or artwork
- Make a gift of a percentage of your estate
- Leave us the remainder of your estate after you have provided for your heirs

The names and images shown here are representative of typical donors and may or may not be actual donors to the organization. Under federal rules your benefits may be different from this example. Please contact us for your specific benefits.

Summer 2017

*Dear Friends,*

It is so hard to believe that we are more than halfway through the 2017 journey around the sun, but you are receiving this in August! In this issue of our redesigned Philanthropy newsletter, you will find the listing for tribute gifts received from January through June of this year. It is an inspiring list because of both the number of gifts and the stories that lie behind them.

Each gift remembers a loved one, celebrates an event, or honors a cherished family member or friend. And for each of those celebrated relationships, there is a story of shared experience and devotion.

I continually feel moved and privileged to accompany so many of you on your journey. I love hearing your stories, knowing the places you have traveled in life and about what interests you today. Thank you for gifts that celebrate the joys and acknowledge the sorrows of life. In sharing both, we grow more and more knit together in the wonder of God's gifts.

Blessings,

Rev. William C. Snyder

the Earth." Pastor Glenn Beard, Director of Church Relations and Pastoral Care, led the dedication and Grady Daub played the keyboard while we held a tarp overhead.

On a soggy, damp morning in April, the friends of Luther Acres and others gathered for the dedication of The Peacock Court Sensory Oasis Garden in the Healthcare Center courtyard. Hearts were warmed with prayers and singing the hymn "For the Beauty of

The Sensory Oasis Courtyard is filled with plants and flowers that engage all of the senses, from the aroma of flowers to the vibrant colors and textures of plantings that border wheelchair-friendly paths and relaxed seating areas. Whimsical "creatures" also inhabit the garden, giving residents a place to focus and explore. It is so vital that all residents, including those with memory support needs, have the opportunity to step into the fresh air and sunshine. Mary Schreiber, Therapeutic Recreation Manager at the Luther Acres Healthcare Center, states it aptly: "The experiences provided in the sensory garden are a true blessing to our residents."

This courtyard is truly a gift from many hearts to warm the hearts and kindle the imaginations of others.
