

PHILANTHROPY SPECIAL APPEAL

MAY 1, 2020

Dear Friend,

Independent Living residents at Luther Acres organized their own special event this week during a shift change to thank our healthcare heroes for their hard work, dedication, and commitment to keeping our communities healthy and safe! More than 160 residents showed their support by cheering, holding up signs, or making noise with musical instruments at several locations on campus, including the Healthcare Center and the Personal Care Apartment Building.

This deeply emotional and uplifting display of encouragement was a great blessing to LutherCare's frontline healthcare workers - reminding them just how much support they can count on from the community they serve. It was a great reminder that we're all in this together.

If you would like to give to Coronavirus Relief at LutherCare, you can give securely online at [here](#) and write "Coronavirus Relief" in the comment box. You can also send a check to the Philanthropy Office with "Coronavirus Relief" written on the memo line.

Your gift will support our team members and residents in the Healthcare Center by providing more personal protective equipment and helping to cover increased costs related to the care of residents affected by COVID-19. To give over the phone or if you have any questions, please contact Anne Corvelle in the Philanthropy Office at 717-626-1171 Ext. 1624.

Gratefully,

Ryan Fisher
Director of Philanthropy
