

PHILANTHROPY SPECIAL APPEAL

MAY 13, 2020

Dear Friend,

LutherCare's healthcare workers on the front lines at Luther Acres, St. John's Herr Estate, and Spang Crest continue to work diligently to ensure the health and safety of our residents. Over the last two months, residents, family members, and community leaders have found wonderful ways to express their appreciation for these Heroes.

Last week, Columbia First Responders drove through the St. John's Herr Estate campus as a way to say thank you to our healthcare workers and to remind residents that they are thinking of them during these trying times! It was an encouraging show of support, and many residents made signs and waved flags as a way of saying thank you to the brave healthcare workers and first responders who serve their community each and every day.

Thank you to our friends and donors who have already given generously to support Coronavirus Relief at LutherCare! If you haven't had the chance and would like to support Coronavirus Relief at LutherCare, you can give securely online [here](#) and write "Coronavirus Relief" in the comment box. You can also send a check with "Coronavirus Relief" written on the memo line to the Philanthropy Office at 600 E. Main Street, Lititz, PA 17543.

Your gift will support our team members and vulnerable residents by providing more personal protective equipment and by helping to cover increased costs related to the care of residents affected by COVID-19. To give over the phone or if you have any questions, please contact Anne Corvelle in the Philanthropy Office at 717-626-1171 Ext. 1624.

Gratefully,

Ryan Fisher
Director of Philanthropy
