(Tribute Lists Inside)

IRA Charitable Contribution

If you are 70½ or older and hold an Individual Retirement Account (IRA), you must take a Required Minimum Distribution (RMD) each year even if you don't need the resources. The RMD from your IRA increases your total taxable income and could potentially push you into a higher income tax bracket. Using your IRA to make a Qualified Charitable Distribution (QCD) directly to LutherCare reduces your taxable income and can help you lower your tax bill and prevent you from entering a higher income tax bracket. Because of these benefits, many donors are choosing to make QCDs from their IRAs.

It may be a suitable giving strategy for some donors:

- You must be 70½ or older to be eligible to make a QCD.
- These gifts count toward your Required Minimum Distribution (RMD).
- QCDs are limited to the amount that would otherwise be taxed as ordinary income. This excludes nondeductible contributions.
- The maximum annual amount that can qualify for a QCD is \$100,000. This applies to the sum of QCDs made to one or more charities in a calendar year. (If, however, you file taxes jointly, your spouse can also make a QCD from his or her own IRA within the same tax year for up to \$100,000.) The funds must come out of your IRA by your RMD deadline, generally December 31.

Fall 2020

Residents come out to support Luther Acres healthcare workers in an organized Community Clamor.

*Together
Thankful*

Philanthropy

Connecting mission through generosity

This year has been unlike any other,

and has presented our communities with many challenges to overcome. As we move into the fall, I find myself reflecting on the last six months. Words quickly come to mind like: *surprising*, *stressful*, and *draining*; but the words **together** and **thankful** also stand out to me. I'm thankful because I serve communities full of kindhearted and generous residents and donors who stood behind our frontline caregivers during the height of the pandemic. We've all experienced many new things this year, and what I've witnessed is that we can conquer any obstacle as long as we do it together.

Because of your support of LutherCare's Coronavirus Relief Fund, a system of four contactless screeners will be installed on our three campuses. These screeners will play an important role in keeping those who are most vulnerable, safe. Additionally, your support has provided LutherCare with the ability to stockpile needed personal protective equipment (or PPE), which will protect residents and frontline team members for months to come.

As we move forward, we would like to invite you to remember those we've lost and honor our healthcare heroes by making a gift of \$25 or more to sponsor a luminaria that will shine during the 7th annual "Lights of LutherCare" celebration.

These luminarias will be lit together across Luther Acres in Lititz on Tuesday, December 1, and at St. John's Herr Estate in Columbia on Wednesday, December 2.

To sponsor a luminaria over the phone by credit card, please contact Anne Corvelle, Donor Relations Specialist, at 717.626.1171, ext. 1624, by November 13.

In service,

Ryan Fisher
Director of Philanthropy

Leaving a Legacy

Benevolent Care will always be needed, and each year many residents decide to make a transformational gift by naming Luthercare as a beneficiary in their will. Making this type of gift is simple, and the Philanthropy Department is always available if you have any questions. Generous donors who have thoughtfully included Luthercare in their estate plans or have made a planned gift to Luthercare of \$5,000 or more are inducted into our Evergreen Society.

How you include a gift in your will or revocable trust depends on what you want to accomplish, and what you want to give to Luthercare.

Here are some examples of various options:

Specific Bequest

“I bequeath the sum of \$10,000 (or, all of my Microsoft stock) to Luthercare, a nonprofit organization located in Lititz, PA.”

Residual Bequest

“I bequeath 10% of my residual estate to Luthercare, a nonprofit organization located in Lititz, PA.”

Contingent Bequest

“If my sister does not survive me, then I direct her interest to Luthercare, a nonprofit organization located in Lititz, PA.”

Why Include a Charitable Gift in Your Will?

1. It's simple to do. It can be as easy as including language stating, “I give ten percent of the net value of my estate to Luthercare.”
2. You can change your mind. We won't receive the gift until after you pass. During your lifetime, you can amend anything you choose, i.e., beneficiaries, amounts, etc.
3. Tax-wise, it could be beneficial. Gifts to qualified charitable organizations reduce the value of your estate for estate tax purposes.
4. It's an easy way to support Luthercare, and we'd be grateful for your gift. Bequests of every size build our future financial strength.

Let Your Legacy Mirror Your Passion

Besides choosing how your bequest will come to us, you also have a say in how it will be used and acknowledged:

- Make the gift unrestricted – it will be used for the greatest need identified by the leadership of Luthercare.
- Make the gift restricted to a specific program such as Benevolent Care, Luthercare for Kids, or Nursing Scholarships.
- Give a gift that keeps on giving by directing your gift to the Evergreen Endowment Fund.
- Memorialize or honor a loved one: “This gift is made in memory of my loving husband.”

The CARES Act and Charitable Giving

With so much going on in 2020, it was easy to miss the news about a new deduction made available by The CARES Act. Under the new law, taxpayers will be able to deduct \$300 (\$600 for a married couple filing jointly) in annual charitable contributions. For the first time, this deduction is available to taxpayers electing to take the standard deduction.

For those that do itemize, the CARES Act now allows you to deduct cash contributions to a public charity up to 100% of your 2020 adjusted gross income. This is up from the previous limit of 60%.
